### "I'm working for:" ICONS

*Some children with autism have trouble generalizing and may not connect these icons with their corresponding reinforcing activity. For these children, it may be beneficial to take pictures of the actual 3D items/activities they like and turn those pictures into icons to place on the board for motivation.*

### "How I earn tokens:" ICONS

*Raise hand, quiet voice, complete tasks, stay in my seat/area, stay safe, other options*
